**Feb Fest 2010** is excited to announce the first indoor concert ever on **Thursday, February 4<sup>th</sup>** at the K-Rock Centre starring Canadian icon Tom Cochrane and his band Red Rider. The concert is made possible by a generous sponsorship from both **Celebrate Ontario** and **K-Rock 105.7**. Opening for Cochrane will be two up-and-coming Canadian acts, Jesse Labelle and Andrew Cole. **All this for just a \$45 ticket – on sale on Monday, January 18<sup>th</sup> at 10 am.**

Tom Cochrane is well acquainted with the transformative power of music. Songs that draw from the wellspring of human emotions have been his stock in trade for more than 30 years. No Stranger has arrived at a time when Cochrane's influence and legacy has never been greater or more apparent. His return to recording follows his 2003 induction into the Canadian Music Hall of Fame. Most recently, country boy band Rascal Flatts proved the timelessness of Cochrane's music, when it covered "Life is a Highway," his international hit from 1992, for the Disney animated movie Cars.

Just as "Life is a Highway" was inspired by Cochrane's fact finding mission to West Africa for the famine relief organization World Vision, "No Stranger's "Rough and Tumble" was partly drawn from Cochrane's experience visiting Canadian troops in Afghanistan in 2004. "It's all about people having a decent life, freedom of speech and tolerance," he says. "Those things are central to me." Just like his unwavering belief in the redemptive power of rock and roll. Feb Fest and K-Rock 105.7 is proud to welcome this Canadian legend to the K-Rock Centre for the first time. [www.tomcochrane.com](http://www.tomcochrane.com)
