Rules & Regulations

SAFETY: Individuals and organizations in the Parade are expected to perform courteously, in good taste, and with safety in mind at all times during the formation, execution and dismissal of the parade. Large floats, especially wide floats, must provide a person on each side and in front of the entry to move spectators back so that the float may safely pass them by. The parade has a strict no open flame policy. **Each float must have a fire extinguisher on board.** To ensure passenger safety on all floats, each person riding on a float must be strapped in.

OBEY THE LAW: All entries must conform to rules and regulations as specified by Municipal, Provincial and Federal agencies and laws as it applies to their entries. The Greater Kingston Santa Parade Committee maintains a policy of public liability insurance to protect against any claims by spectators against the parade. Parade Participants ensure their own insurance offers sufficient protection for their parade entry.

BE NICE ALL THROUGH THE PARADE: All entries are to maintain reasonable and consistent spacing to the entry in front of them and must adhere to a Parade Marshals adjustment of this spacing. Any Parade Marshal may remove an entry or individual(s) within an entry from the parade for non-compliance of the Rules & Regulations or misbehaviour. All float and vehicle entries **MUST** be decorated and have lights. Marching Bands and other performing groups are not to unduly delay the parade.

POOP & SCOOP: Anyone wishing to ride a horse in the parade must be affiliated with and ride with an approved club or organization. A cleaning crew must accompany and immediately follow any live animal entries. If animals are diapered, a cleaning crew is not required

Some more info...

- Identify floats on both sides, so that spectators and television cameras can easily see the name of the entry.
- Add more to your float by having all adults, children and walkers in costumes pertaining to your float theme
- Marchers carrying a banner or sign should walk in advance of marching/walking entries (design them to be seen easily at a distance of 50 feet).
- Pre-arrange pick-ups at the end of the Parade route. Tim Horton's might be a spot to consider.
- This parade's mission is to entertain families, especially children - it is **NOT** a commercial, religious or political forum. All entries must convey the spirit of the holiday season.
- Throwing of candy or any object **WILL NOT BE ALLOWED.**
- We aren't thrilled with the idea of handing out of candy, literature or other promotional items; we discourage it. The parade is not a fundraising opportunity or a commercial promotional opportunity. *To discourage "the handing out of stuff", the committee has set an additional \$200 hand-out fee for this privilege.* Please submit your proposal and fee with this application. Not all proposals will necessarily be accepted. The Santa Parade committee reserves the right to charge an entry after the Parade, should circumstances warrant.
- There is only one Santa Claus and he rides at the end of the parade.
