

Rotary COMFORT ZONE

Who can use the Rotary Comfort Zone?

The space is meant for people with accessibility issues with a focus on children. Not all disabilities are visible and families with accessibility needs may struggle with a variety of issues. The Rotary Comfort Zones are open to families with:

- Vision Problems
- Mobility Issues
- Low Muscle Tone
- Complex Medical Issues
- Toileting issues
- Sensitivity/allergy to cold

Remember: over 80 % of disabilities are invisible!

Each space will:

- Have a minimum of 2 well-informed volunteers on site to advise parade goers and help maintain the area
- Be cordoned off with stanchions to ensure only families in need use the space provided*
- Be located as close as possible to a public parking lot that will have additional accessibility spaces available for the evening
- Be located as close as possible to an accessible bathroom.

Please note: Rotary Comfort Zones will be available on a *first come, first served* basis. *Unused space within the Zones will be opened up to the general public at the times indicated below.
